My Salaah Goals

InshAllah, my goals in improving my Salaah are:

___________________________________
___________________________________
___________________________________
___________________________________
___________________________________

InshAllah, I will do the following to achieve my goals:

___________________________________
___________________________________
___________________________________
___________________________________
___________________________________

Use an Arrow Marker to measure your progress and achievements:

Excellent
الحمد لله

Getting there

Poor
